3. However, regardless of who designs and relocates District facilities, all costs associated with the relocation including, but not limited to, administrative, engineering, legal, construction materials, and labor costs shall be the responsibility of the party requesting said relocation.

4. At the discretion of the District a Utility Relocation Agreement defining the rights, duties, and obligations of the District and the party requesting relocation shall be prepared by the District's attorney.
5. The relocation will proceed in accordance with the Utility Relocation Agreement.
